

# NOISY SWEEPSTAKE

LOOKING FOR A SUPER EASY WAY TO RAISE MONEY? WELL, LOOK NO FURTHER THAN THIS BRILLIANT SWEEPSTAKE!

- Step 1:** Get your friends and colleagues to each pick a box from the grid, write their name underneath, and pay a suggested £2 donation.
- Step 2:** When you're ready and every box has been filled, drop us an email at [contact@makesomenoise.com](mailto:contact@makesomenoise.com) and we'll let you know the lucky winner.
- Step 3:** See if you can sweet talk your company or a local business to donate a prize – then crown the winner and send all of the money you've raised to Global's Make Some Noise!

If you can't wangle a prize, award the winner with some of the cash (we'd recommend no more than half) and pay the rest to Global's Make Some Noise.

You can pay in online at [makesomenoise.com](http://makesomenoise.com) or by sending a cheque made payable to 'Global's Make Some Noise' to Global's Make Some Noise, 30 Leicester Square, London, WC2H 7LA.

- Step 4:** Give yourself a big pat on the pack! You've just raised money to help change the lives of disadvantaged youngsters right across the UK. You're awesome!

#### THE IMPORTANT LEGAL STUFF

This sweepstake is promoted by

..... (write the organiser's name and address in the space). All entrants (including the organiser) must be aged 18 or over. The sweepstake must take place at a workplace or in the organiser's home, and people are only eligible to enter if they work in the same workplace or live at the same address as the promoter. Tickets for workplace lotteries must be sold at a single location, and the sweepstake cannot be advertised anywhere other than those premises. The result must be declared on the premises where tickets are sold. No rollovers are permitted. By entering, the entrant agrees that, if they win, the organiser will donate at least half of the money collected to Global's Make Some Noise on their behalf. Global's Make Some Noise does not accept responsibility for your sweepstake - the organiser is responsible for ensuring this is run correctly.
